“ What Robert Rutöd brings to the contemporary photographic dialogue is that intangible ability to see the world with a skewed lens - a lens that is compassionate and at the same time, unkind. It is a lens that is the stuff of operas and nightmares, comedies and slapstick. Robert finds that split second of humor or truth telling and that instant of social documentation or absurdity

## Robert Rutöd Right Time Right Place

that makes us not only laugh at ourselves, but also laugh and feel embarrassed all at the same time. Or should I say, at The Right Time.”  
(Aline Smithson, from the foreword to the book Right Time Right Place)
